VAULTING

The last day of the 2010 Alltech World Equestrian Games had Bongani Mvumvu competing in the top 15 Male Individuals, finishing with some fantastic scores and a total 6,456 to finish 15th overall. The SA Vaulting Team doing their second Freestyle and moving up a position after a fantastic test with one judge scoring an 8 – they finished 9th overall out of 12 Teams beating Australia who were higher placed going into the final Freestyle. Well done to all our Vaulters who gained experience and many memories from the World Championships. Thanks must also be given to the owners of the loaned horses for our Individual and Team Vaulters for these World Championships.
