

2010 Alltech World Equestrian Games

EVENTING

After a tough 3 days of competition at the 2010 Alltech World Equestrian Games, 3 of our South African horses and riders finished the competition. It was a very stiff Cross Country course and unfortunately Douglas and Paul did not finish along with 19 other competitors. Graham and Martyn had 2 stops then clear, and Heidi one stop then clear.

After the Showjumping Phase Martyn Swanepoel and Kardinal had 4 penalties finishing on a score of 165.10. Heidi Wood and Quantum Leap had 17 penalties finishing on a score of 168.70. Graham Winn and Zorba had 13 penalties leaving them on a score of 198.50. Priscilla Young has received feedback from riders and officials at the 2010 Alltech World Equestrian Games and everyone has been amazed at where we have come from and thanked South Africa for making this tremendous effort to get our riders and horses to WEG. We may not have won any medals but our riders did win the admiration of many riders and officials for our tenacity and determination. The 5 riders have been magnificent path finders and ambassadors. South Africa finished 13th in the Team event with Australia in 14th. Thanks to Suzanne Boswell Rudham, Sheryl Pote and Priscilla Young for the photos.

Paul Hart and Heartbreak Hill

Martyn Swanepoel and Kardinal

Douglas Welsh and Kings Courier

Graham Winn and Zorba

Heidi Wood and Quantum Leap
