

In addition there will be a marquee with a TV and seating for the grooms at the stables to ensure that they are part of the Soccer World Cup – the theme for this show.

Grooms food will also be available to buy from the catering daily, and we hope to have a kiosk at the stables for them to be able to look after their needs. We will also have Braai fires at the area to help keep them warm.

Temperatures have dropped to almost zero at night, so please can everyone make sure that the grooms and ponies have enough blankets. There are a few stables still available if anyone want to book for their grooms – these will not be next to the ponies though.

We have allocated tack and feed rooms for each province – please check our website.

The groom's soccer is a must – PLEASE ask everyone to enrol their teams as soon as possible so that we can organize the knockout games.

Please also note that the front security gates are closed after 6.00pm – if coming in late please make arrangements with the office to ensure that the guard will let you in.

The stables allocation is on the website – please make sure that no-one moves stables without permission.

We really look forward to hosting the event and the pleasure of your company – good luck to all and please have a safe journey.

Kind regards
