

Phillipa Johnson Awarded Sportswoman of the Year

On Saturday 30th May the municipality of Meeuwen-Gruitrode voted South African Para Dressage rider Sportswoman of the year. Phillipa's response was " I was very touched especially as I am actually a foreigner living here". This was another credit to Phillipa who made South African Equestrian history with two Gold Medals at the 2008 Paralympics held in Hong Kong. Phillipa has been based in Belgium for the past 5 years in order to compete in Europe.
