Dear Members,

There is an article on the Sport24 website, and on the 94.7 sports news stating that the SAEC has been suspended from SASCOC pending further investigation.

I believe this is in the best interest of the sport as it should encourage SASCOC to engage in dialogue with the SAEC which so far they have been reluctant to do.

The SAEC are calling for an urgent meeting to discuss this matter and plan the way forward.

As soon as I have more information, I will let you know.
