

SOWETO EQUESTRIAN FOUNDATION: VISIT BY SA JOCKEY ACADEMY and SCREENING OF SOWETO CLASSIC

Dear All,

On Friday, 3 August, the South African Jockey Academy came to the Soweto Equestrian Centre to speak to children of Soweto about the Academy and the career and life of a jockey. There were about 300 children who attended the talk by Charles Grey, Marketing Manager of the Academy, and came to be inspired by some of the trainee jockeys that have or are going through the Academy. The talk and the interaction certainly got a lot of the children thinking about being a jockey as a possible career. However, when they saw that one of the adult jockeys was as tall as a 10 year old, the children realised that this is one profession where being tall is not an advantage!! Hopefully, we will soon see one or more children from Soweto becoming successful jockeys.

Visit the website – www.sowetoequestrianfoundation.co.za - for more pictures of the visit.

In addition, we have already spoken about the wonderful Soweto Classic that was held at Waterfall Equestrian Estate on 31 July 2011. The day's event, the visit by the Jockey Academy and the activities of the Foundation will be screened on SuperSport 5, 6 and 7 as follows:
