

# **RULE DIRECTIVE No 1.2012.GEN**

## **GENERAL**

This directive is effective 18<sup>th</sup> FEBRUARY 2012.

As with immediate effect, all Provincial Bodies must instruct their Show-holding Bodies and Organising Committees to ensure Passport checks are conducted at **ALL** events hosted under the auspices of SAEA and the relevant Provincial Body.

In the interest of our sport and the welfare of our horses, as well as in order to comply with government regulations, this has become a necessity.

Passports must conform to the requirements as laid down in the General and Veterinary Regulations and fines will be issued in accordance with the Passport Omission Fines Book. All fines are payable to SAEA as per SAEA General Regulations.

Although this is not a new addition to the General Regulations, emphasis must be put on the importance of compliancy with Government Regulations.

Provincial Bodies are requested to ensure that all of their officials, Show-holding Bodies, Organising Committees and members are aware of this directive.
