SANEF DRESSAGE TECHNICAL COMMITTEE

To the Dressage Enthusiasts

You asked and we are making it happen!

Our Dressage Judges are to be trained by FEI and may apply for 2\* accreditation.

But like all things it comes at a cost. The FEI will pay for the cost of the trainers but we have to pay the airfares.

So.....

Some members of the Dressage Technical Committee have decided to show their appreciation and support the judges training by contributing R10 000.00 each towards making it possible and they challenge all other riders and enthusiasts to equal or better their contribution. This money is to be used purely for the upliftment of judges and particularly for this project of 2\* Judges Training and accreditation.

The challenge is on!
