

Zilla Pearse in Lipica – Slovakia

The CDI3*/CDI-W in Lipica – Slovakia went well. Zilla an Italian Based South African Rider rode her horse Hale Bops in the PSG, although making a couple of mistakes in the series changes found the judges liking his tests and finishing on 63.9% and was in the top third with that percentage. Zilla feeling happy with Hale Bops and confident that he is going to be a good horse when the changes are more confirmed.

Her second horse Sarkozy also did not do badly finishing with a 63.7% in the Intermediate 1 and qualifying in the top 15 for the Kur on Sunday where unfortunately Sarkozy missed the two time changes but was still placed , a satisfying finish for a first time outing.

Zilla's next port of call Strassen – Luxembourg at the end of July.
