

## JUMPING

### Lexi Carter

Campaign for the 2012 London Olympic Games

At the moment I have four horses to show and then I ride a few young ones too.

My mare Cyrina Z has been going well, we won one of the qualifier classes in Lummen at the CSI 3\*, we were also third and fourth in other qualifying classes for the GP. At Neeroeteren 2 star we were 4th in the 1.45m small Grand Prix and 7th in the Grand Prix. In Roeser luxembourg I was 4th in the Grand Prix in good company, my show plan for the next two months is Vimeiro, La Coruna and then Valkenswaard. She's been jumping consistently clear and I feel that we are ready for something big.

I also have a 6 yr old called Apologise 3, he was 2nd in the speed and 3rd in the championship of 6 yr olds in Roeser. He has all the scope and I really think he could be a championship horse one day.

I also have Evina who is 7, I jumped her on the sunshine tour, she won a 7 yr old class, was placed consistently and was 4th in the 1m40 Grand Prix there. She has had a break just recently while they were taking embryos from her but she's coming to my summer tour of shows, I'm excited to have my little winner back!
